DEXTER MULTIPURPOSE #2 LITHIUM GREASE TUBES

RETAIL-FRIENDLY PACKAGING

November 4, 2024

Dexter is pleased to offer a 10-pack box of Dexter Genuine Multipurpose Grease in retail-friendly packaging. The box features a rip-off portion for easy display on store shelves. Each genuine grease tube contains 14 ounces of the specialty-formulated red grease used in Dexter's hub and axle assembly plants, guaranteeing superior performance.

The Dexter Genuine #2 Lithium Grease complex includes additives for superior corrosion protection and water resistance. This grease meets the NLGI CG-LB specifications for wheel-bearing lubrication and is effective in a wide temperature range, from -40 degrees to 302 degrees Fahrenheit, making it versatile and suitable for various conditions. The 10-pack box of grease tubes can be purchased from Dexter's distribution network and partners.
