ADDITIONAL PRE-GREASED HUB AND HUB-DRUM KITS

December 15, 2025

Dexter is pleased to announce the expansion of our pre-greased hub and hub-drum kit lineup with the addition of seven new kits. Two of these kits are tailored specifically to the agricultural market, while the remaining five are designed to meet the needs of the RV and industrial utility trailer markets.

These kits contain American-Made, Genuine Dexter parts, along with all the necessary installation hardware. They are also compatible with various axle manufacturers.
